

**SURETANK**

Engineering a better, safer future

# Refurbishment

**Refurbish your offshore tanks and offshore containers**

## Extending the life of your offshore tanks and containers can save you money and reduce capital expenditure

Suretank's global team of highly qualified and experienced engineers are the best qualified to deliver solutions to increase the working life of your offshore equipment.

It is our business to refurbish your equipment to the same standards as when it was originally delivered to you and where we can make improvements, we will.
